W04-2: Create your own portfolio

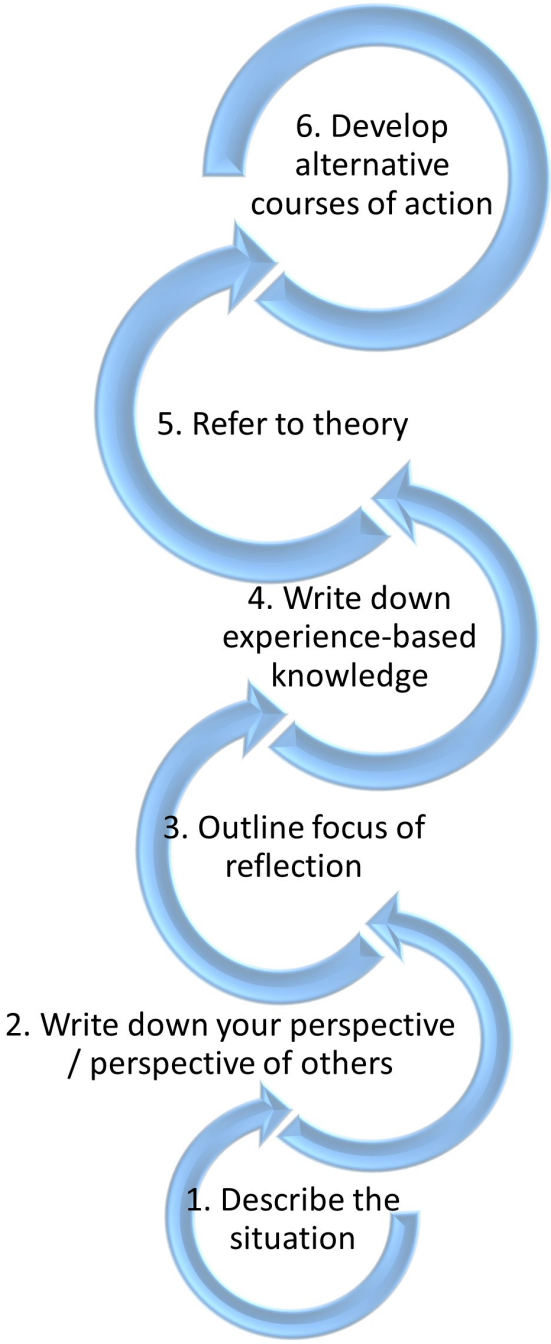

On this worksheet you learn how to create your own ePortfolio using the platform “Mahara”. You will also practice writing a reflection.

Things you need for this session

- your web browser (e.g. Firefox, Chrome)
- maybe some photos and texts to implement in your portfolio

Learning log assignments

1. Visit the website www.mahara.org and log in (User: *student*; password: *MaharaDemo*).
2. Create a new page.
3. Write a short reflection about one (!) experience in the summer school so far. Try to follow the helix of reflection (see below)!
4. Create a new collection.
5. Implement the reflection in your collection
6. Implement your homework from “W01-1: Your teaching experience”.
7. Implement some photos or other pictures to illustrate your writing.
8. Share your portfolio (or at least the page “reflection”) with your neighbor.
9. Write a comment on your neighbor’s portfolio.

6. Develop alternative courses of action
5. Refer to theory
4. Write down experience-based knowledge
3. Outline focus of reflection
2. Write down your perspective / perspective of others
1. Describe the situation
