W04-3: Developing portfolio tasks

On this worksheet, we will talk about good portfolio tasks. After completing this worksheet, you should be able to create a portfolio structure to implement into your course.

Things you need for this worksheet

- M04-1: Portfolio structure example

Learning log assignments

(Work together in a group of five People)

You want to develop a course on a topic of your choice. To earn credits, students have to write a portfolio. Create at least four tasks to structure the portfolio work.

Remember: Good portfolio tasks...

...allow more than one solution

...motivate and require creativity

...inspire reflection

Write down your results on Google Docs.
