L09: AI and academic writing

In this session, you will learn more about how AI has changed the “business” of academic writing, how it practically helps us but also how to use it carefully.

Things we cover in this session

- Looking at general ideas
- Looking at specific tools
- Reflecting on ethical issues
- Analyzing tips how to use AI

Things you need for this session

- W09-1: Using AI for Academic Writing

Things to take home from this session

At the end of this session, you should be able to

- make an informative choice for a useful AI tool
- realize the benefits and pitfalls of AI tools
- formulate better prompts

Slides

Using AI in Scientific Writig

Extras

If you want to know more about the development of AI in connection to writing and higher education, read this article from Public Services Quarterly / Technology, vol. 19, 2023.
