M01-3: Technical guidelines

Poster

- Power Point is suitable for designing your poster. But there are also other software possibilities. The end product should be a pdf file from your poster.
- The size of the poster should be A0.
- Make sure that the images and graphics have a sufficient resolution
- If you use images which are not yours, please take care of the copyright.

Summerschool road map

- The template of the summerschool road map you find here. Please download the template and develop a road map for your summerschool.
- The size of the summerschool road map should be A3.
- The final product should have a pdf file from your sommerschool road map.
- The summerschool road map will be presented next to your poster in the poster session.
