Note on embedded images intro

Note on embedded images

This site contains third-party embedded images from [flickr](#) of the following artists:

Note on embedded images end

They are included using the flickr's share function which also includes a direct link to the artists homepage (just click on the image to follow it). For technical reasons, these images have no captions and hence do not directly indicate the artist. Please hover your mouse over the images to see the artist or visit our favorites page at [environmentalinformatics-marburg@flickr](#), where you find an overview.
